THE PREZ SEZ

Hi Everyone

Well, the season for driving our rides is now coming to an end. As I write this there is still a few great events to attend before the end of October. There's the return of the Halloween Party on October 25th and our season ending Wrap Up on October 26th. At the November meeting the ballots for the Board of Directors election will be counted and the runoffs for the Executive Board positions will take place as needed, also. Once the elections are complete there are a few important items to discuss which will pertain to the long-term health of our club.

Looking forward to November - we start the month off with Junk in the Trunk or Pickup Bed on the Nov 2nd. Then on Nov 15th is our annual Awards Banquet and Christmas party where the Marines will pick up all the Toys for Tots we have collected and donated. Members who have a special award to give to another member at the banquet are welcome to do so. Just let the event committee know.

Bingo is now taking place on the first and third Friday each month. We are looking for other types of activities to do on Fridays for those not interested in Bingo. Let any of the board members know what your ideas are so we can continue to be active during the off season until spring.

Hi everyone!

CSRA will be hosting a Halloween Party at our club house on Saturday, 10/25/25. We used to have a great time when we did these so many years ago and it will be nice to do this again! We did change the time frame to 6pm-10pm. Please let me know if are able to assist with the setup of the event and clean up at the end (I know some have already planned to help-thank you in advance). Please reply back to this email to confirm you are attending and if you are bringing a guest, so we can have enough food prepared.

If you have any questions, please reach out to me 203-694-4885.

Hope to see you all there,

Rosanne

A man in a traffic light costume is on the right, and a witch is on the left. At the bottom are jack-o'-lanterns and a Scream mask.

HERE IS AN OLDIE THAT NOBODY WHO WAS THERE WOULD EVER FORGET

Dennis got pick by a female guest singer and comedian to

help sing a few verses at one of our past Award Banquet.

She even dressed him up. He had a tie with the right colors to match her dress.

I gave him an A for his very good performance.

CSRA POKER RUN

This had to be one of the best Poker Run. Thanks to Wayne, Dave, Tom and Sara who did a awesome job. There were at least 19 cars at Scotch Plains Tavern the meals were big and delicious. If you didn't go you missed a very good time. In the first picture below you could see how large Dennis's dish of mussels were.
