THE PREZ SEZ

Hi Everyone,

Canceling our annual Nostalgia Night due to rain on the scheduled dates was a real bummer. Everyone who heard we were returning to the New Life Church/Mountain Side location was looking forward to it. At this point I have been in contact with Pastor Will who is still interested in having the event this year. So, I asked him to look for dates on a Monday in late August or early September. When he gets back to me, we can still hold the event just a bit later in the season.

Next up will be our Motor Mania event in July. Event chairman Dave Goduti needs items for the Chinese Auction. Anyone who has something please reach out to Dave. Holding a Fall Junk in the Trunk is another event we can look into doing once again. More on that at a future meeting.

Newsletter Update: with Junie's passing the newsletter will be in transition. So, for now, the newsletter will be only available online. Scott Vitiello and Nico Ruocco will be taking over the newsletter with help from Sarah Lambert.
