THE PREZ SEZ

Hi Everyone,

CSRA's second annual Motor Mania was another huge success! The quality of vehicles attending was amazing! By the 10am official starting time the line of cars already parked was huge. I would like to thank Event Chairman Dave Goduti and the Club Members who went out of their way to help put this event on. Once again CSRA has shown we are one of the best clubs around.

Another event we are planning on attending once again, as a club, is *Sunday In The Park* at Lime Rock, September 6th. Discount tickets are available for Club Members attending. To get the discount a special code is required. Contact me for the code prior to the date of the event.

Also in September, our club picnic will be on Sunday, September 13th. A head count is needed so we can get the food ordered. Felix is putting this list together. Let him know at the August meeting or contact him. Reminder.....only immediate family is invited!! That includes children, grandchildren, spouses or significant others and their children. No aunts, uncles, mothers, fathers or any in-laws. Special guests will be limited to those invited by the Board of Directors.

Last detail and this is an important one. Any club member {*we know who you are*} this year who did not attend our swap meet on Saturday to help with set up are required to make up their commitment. There will be one opportunity to make this up. Contact Felix the event chairman to make your commitment! It is the member's responsibility to get this done. The only members not required to work Saturday and the entire day Sunday at the Swap meet are the Members who are known to be in the Honoree category as decided by the Board of Directors.

Reminder our August club meeting will be held a week later on Wednesday, August 12th

Ron
