THE PREZ SEZ

Hi Everyone,

Summer is now coming to a close. Going forward the fall events will now be our focus. In October a lot of members go to Hershey, so our regular club meeting will take place a week later on October 14th.

For what I think is a first it rained all day during our club picnic. While no club cars were in the parking lot plenty of members and their families came out to enjoy a pretty good time. As usual there was plenty of food to go around and our club's culinary staff did an outstanding job keeping everyone fed. The kitchen crew and grilling staff made sure no one left hungry. A big thanks to everyone who helped! From the members who showed up Saturday for clean up/set up, and to those who continued to help on Sunday including cleaning up afterwards. For those who still need to get their club work hours taken care of - you missed another opportunity!

In October there will be another Fried dough night...more about that at our monthly club meeting. The final big club car event will be the Wrap Up on October 25th. Bingo on Friday nights will begin and now that we have a good television Friday movies will be scheduled as well.

Also, 2027 will be CSRA's 60th Anniversary! To celebrate this milestone we are looking for members interested in working as a group to put together a weekend event. There are a few members already on the list interested so starting at our next meeting we will add the reunion to the agenda.
