THE PREZ SEZ

Hi Everyone,

September will be a busy month for club activities. September's Club Meeting is the last opportunity to sign up for the picnic, being held on September 13th, if you have not done so already. The sign up sheet to register for the picnic is also included in this newsletter. Next up the Poker Run on Sunday, September 20th along with Cars and Coffee. Then on September 28th is our CNN Nostalgia Night event. This year for CNN we return to the Mountain Side - New Life Church Location. If the weather cooperates this may be one of the largest CNN get togethers in a number of years.

Once again this year a group of CSRA members will be returning to the Sunday In The Park at Lime Rock on September 6th. Attending this event and parking as a club will continue to show CSRA is a car club. More information about what is taking place will be on the agenda at the September meeting.

Also in September a list of members in jeopardy of not making their club commitments will be compiled. As I wrote in last month's news letter the individuals who did not make their complete commitments to the Swap Meet, that being working both Saturday and Sunday, need to take care of that detail. So you guys who felt it was better to do something else than help us on Saturday there is work that needs to be done as it pertains to the swap meet still left to do. Contact Felix and he will explain to you what needs to be done.

In October on the 25th will be our Wrap Up event at the club house - same arrangement as last year's. And the last event will once again be our annual Junk in the Trunk or Pickup Bed Sunday November 1st .
